

Band Biography

If you're ready for powerhouse vocals, screaming guitar licks, and driving rhythms rooted in the origins of southern rock, look no further then critically acclaimed Southern Rock 2.0 pioneers and Nashville recording artists, GREYE.

*Since their inception in 2012, Greye has rocked audiences with their distinctive and unique sound from the highest peaks of the Adirondacks to cities of the heartland in the mid-west to the sunny shores of the Florida Keys. With six studio records, three national tours, and countless praises sung by the likes of **Melody Maker, Music Existence Magazine, Hollywood Digest, Black Beard Music Reviews, and many more**, their vast discography captivates audiences with each and every performance! Greye captures the magic and the soul of the rock and roll renaissance of the 70's and 80's, and blends it with something fresh, new, and powerful -the likes of which the world has never seen before. There's a new era of Southern Rock in town that definitely isn't black and white -it's GREYE!*
